

Payment of Fees

Course Fees

Fees per subject are paid based on a 10-week term at a cost of \$350 for primary school and junior high school students (a comparative price of \$35/hr) and \$400 for HSC students (a comparative price of \$40/hr).

All one-on-one HSC lessons are \$500 per 10-week term or \$450 if paid in full before the end of week 1 of the term.

One-on-one lessons can only be organised for HSC English students or by special request as places are strictly limited.

* Note that all SERIM Education students are entitled to double their tuition time by attending our supervised Homework Help Sessions which effectively reduce their hourly fee.

Two half term payments may be made - one in week 1 and one in week 5. (Fees are adjusted pro rata for students who enrol after the start of a term).

Early bird Discount

When full term payment is made before the end of the first week of the term, students will receive an early bird discount for the term's fee

A discount is also available for students doing more than one subject or for more than one student from a family (see schedule below for fees after discount).

Absences and Catch-up Sessions

Once a term begins, SERIM Education is committed to pay tutors for each student for the term. Therefore no refunds are available for student absences and if the centre is not given reasonable notice before the session, students will not be entitled to a "catch-up" session.

If the centre is given reasonable notice of an absence, every effort will be made to organise a "catch-up" session but due to timetable restraints and student commitments, "catch-ups" cannot be guaranteed in all circumstances.

“Catch-up” sessions are limited to **two** per term.

If SERIM Education should need to reschedule students due to unforeseen circumstances, the centre will consult with each student and ensure a suitable alternative time is made available. Should there be any rescheduling by SERIM Education, this will not count as a student’s “catch-up” lesson.
